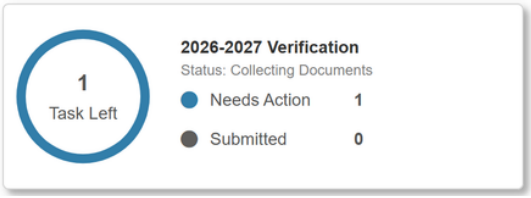
Selected for Verification? What to Do Next:

*Please read and follow all instructions *in order*.

Verification is a process where students are selected to comfirm data reported on the FAFSA is accurate or to verify their identity before receiving financial aid.

1. Go to **wiregrass.studentforms.com** and log in with your Wiregrass email and password.

2. Click the box under '**Needs Action**'.



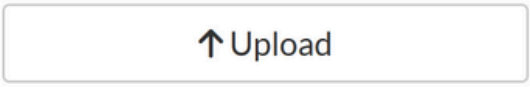
3. Click the arrow next to the grey box, and ***read the verification requirements***.

4.
- If you need to complete a form, click '**Fill Out**' to complete and sign.

**You will need to create a 5-digit E-Sign PIN by clicking the blue link at the end of the form.

- Upload any required documentation.

5. Click **Submit** and **Finish.**



Monitor your Wiregrass student email for updates.
For questions, email financialaid@wiregrass.edu!

**If more information is needed, log back into wiregrass.studentforms.com to view the comments for any additional requirements.
