

Wiregrass Georgia Technical College Online Book Exchange

If you want to sell used textbooks, you can advertise them on the Book Exchange.

If you want to buy used textbooks, you can see textbooks for sale on the Book Exchange.

**Only current textbooks will be listed on the Online Book Exchange.
To learn if your books are current, click on the Bookstore link
located in the Student Resources quick link under Campus Resources.
Click on current booklist.**

If you want to sell books:

- Go to the Online Book Exchange link located on the Student Resources quick link. It's located under Student Life.
- Complete the submission form and submit it. Only current editions will be posted on the booklist.
- In order to list books for sale you must have an active student email account.
- Follow the directions to activate your email through BanWeb.
- Students interested in purchasing your book(s) will contact you at your student email address.
- Once you sell your book(s) email kelly.wetherington@wiregrass.edu and your book will be deleted from the "for sale" list.
- All book listings will be deleted from the Book Exchange during the 4th week of the quarter.

If you want to buy books:

- Contact the book seller at his/her WGTC student email address.
Example: firstname.lastname@student.wiregrass.edu

All transactions are private sales conducted between the seller and the buyer. Wiregrass Tech provides the site on which currently enrolled WGTC students may buy and/or sell used textbooks and assumes no responsibility for the sale or purchase of textbooks.
