

# Herzing University

## **Accounting Program Course Requirements (effective October 18, 2011)**

This agreement provides students who have earned an Associate of Applied Science degree in Accounting from Wiregrass Georgia Technical College, which is accredited by the Commission on Colleges (COC) of the Southern Association of Colleges and Schools (SACS), the opportunity to continue their education by transferring into Herzing University's Bachelor of Science in Accounting (BSA).

Graduates and employees of the Wiregrass Georgia Technical College who enroll in any Herzing University bachelor's degree program are eligible for the Herzing Community and Technical College Partnership Scholarship. The award is a \$500 credit to the tuition account of the student during their last semester of study with Herzing. To make use of the scholarship, graduates of WGTC must complete an associate degree with the college before transferring to Herzing University. Applicants must obtain an application from the Herzing University Financial Aid Department and submit it to the department prior to starting their last semester of study at Herzing University.

### **Conditions of Transfer:**

1. Herzing University will accept 63 semester credit hours from Wiregrass Georgia Technical College, Associate of Applied Science in Accounting (A.A.S) to apply to Bachelor of Science in Accounting with no minor or concentration (BSA). 60 semester credit hours remain to complete the receiving program and award.
2. Students must have earned a "C" or better in all transferable courses. See applicable courses below.
