

Transfer and Articulated Credit INQUIRY FORM

Wiregrass Georgia Technical College will accept transfer of credit from previous colleges if the school meets accreditation requirements, and/or the professor of the course has acceptable credentials for teaching the course; the grades in the courses to be transferred are “C” or better; and the courses were taken within the allowable time frame (see catalog). Some general education courses (English, Math, Psychology, and Speech) have no transfer time limit.

Please check your Banweb unofficial transcript (banweb.wiregrass.edu) to see if courses have been transferred in. If you have questions about particular courses, please list them below and submit this form to the Admissions or the Registrar’s Office. We will contact you to discuss your transfer of credit with you or set up an appointment with you, if necessary.
