Articulation Agreement Between Wiregrass Georgia Technical College & Andrew College

Andrew College (Andrew) and Wiregrass Georgia Technical College (Wiregrass) agree to cooperate in coordinating their respective academic programs to facilitate the transfer of students with the following Wiregrass associate degrees to Andrew in order to pursue a baccalaureate degree.

Wiregrass Georgia Technical College	Andrew College
AAS Accounting	BS Business Administration
AAS Business Management	BS Business Administration
AAS Marketing Management	BS Business Administration

In recognition of this objective, both institutions officially confirm the following terms of agreement:

1. The purpose of this agreement is to coordinate the academic programs of cooperating institutions so as to encourage Wiregrass graduates to pursue a baccalaureate business degree at Andrew as matched above.
2. All transfer credits from Wiregrass will be applied to a student's program at Andrew in accordance with the scheme of course classification at Andrew. Wiregrass will advise students of patterns to be followed for transfer to Andrew. Andrew will review Wiregrass courses on a regular basis to assess transferability.
3. Andrew will accept all credits earned at Wiregrass to satisfy the requirements of a baccalaureate degree, providing the courses presented for the degree were successfully completed with a final grade of C or better, and/or an associate degree from Wiregrass was awarded (associate degree Ds will be accepted). Credits not earned at Wiregrass will be accepted subject to the Andrew transfer credit policies. Students who have been awarded the Associate Degree from Wiregrass will be guaranteed admission to Andrew with junior status if the corresponding degree as noted above is chosen.

Andrew College

1854

4. Upon transfer to Andrew from Wiregrass, the student will observe the curriculum regulations in effect at the time of formal admission. Students must earn at least 45 upper level (300-and-400- level courses) credit hours for graduation to meet the 120 credit hour requirement. WIREGRASS 200 level courses directly transferred in as 300 level courses will count towards this requirement.
5. A representative from each institution (Andrew and Wiregrass) will be responsible for monitoring the operation of this agreement. Their respective presidents will appoint these representatives.
6. Each institution will promote this agreement through appropriate public information channels. Other cooperation in recruitment and promotional activities will be determined by mutual agreement.
7. Andrew and Wiregrass will review this agreement regularly and make adjustments or amendments when necessary for the improvement of transfer procedures and program articulation.
