

Valdosta State University and Wiregrass Georgia Technical College
Course Articulation Agreement

AAS in Engineering Technology—BS in Engineering Technology

1. This joint agreement covers Wiregrass Georgia Technical College (WGTC) graduates of the AAS in Engineering Technology who are accepted as candidates for the BS in Engineering Technology at Valdosta State University (VSU).
2. Valdosta State University will also accept general education core courses for transfer as specified in the articulation agreement between the University System of Georgia and accredited colleges of the Technical College System of Georgia.
3. WGTC agrees to provide documentation for any Area F or General/Guided Elective Course that is labeled as 'not intended for transfer,' demonstrating that the course is comprised of degree level content with learning outcomes comparable to a transfer level course.
4. WGTC will ensure that all courses labeled as 'not intended for transfer' shall be taught by competent faculty who are eligible to teach at the collegiate level as determined by WGTC's faculty qualification criteria.
5. Candidates for the BS in Engineering Technology degree must complete a minimum of 120 semester hours of academic work, with a cumulative grade point average of 2.0 or better calculated from all work attempted to graduate from the program.
6. Of the 40 semester hours immediately preceding graduation, at least 30 must be taken in residence at VSU. Any student admitted to VSU for the final year must be in residence for two semesters and complete at least 30 semester hours in residence, including 21 hours of upper division course work in the major. ("In residence" refers to courses taken through VSU.)
7. All other VSU and University System of Georgia requirements for admission, for acceptance of credit, and for graduation and certification must be satisfied.
8. The course list may be amended by written agreement of the Dean of the college at VSU and the Executive Director for Academic Affairs at WGTC.
