

## Albany State University

### Fire Science Technology Course Requirements (effective August 6, 2013)

This agreement provides students who have earned an Associate of Applied Science degree at Wiregrass Georgia Technical College (WGTC), which is accredited by the Commission of Colleges (COC of the Southern Association of Colleges and Schools (SACS), the opportunity to continue their education by transferring into Albany State University's (ASU) Bachelor of Applied Science in Fire Services Administration.

1. WGTC students will be afforded the same treatment and protection, and be required to meet the same admission requirements, as native Albany State University students enrolled under a specific catalog term. WGTC students should request an official transcript be sent to Albany State University upon completion of coursework at Wiregrass Georgia Technical College. Albany State University will not accept coursework from those who have not earned an Associate of Applied Science degree in Fire Science Technology from one of the participating colleges in the Technical College System of Georgia.
2. A maximum of 54 semester hours will be accepted by ASU from WGTC. Transfer students from WGTC, upon acceptance into the Bachelor of Fire Service Administration program, will have junior level standing at Albany State University.
3. A minimum grade of "C" in all courses must be maintained to qualify for transfer under this articulation agreement.
