

Life University

Business Administration or Computer Information Management

This Articulation Sub-Agreement details the courses and performance requirements for Technical College System of Georgia (TCSG) students to receive transfer credits to a degree program at Life University. The TCSG quarter courses listed in this document, that meet satisfactory performance criteria, will be granted the equivalent course credit by Life University for transfer to the **Business Administration** or **Computer Information Management** degree programs.

STUDENT PERFORMANCE CRITERIA:

Technical College System of Georgia (TCSG) students must have earned a grade of “C” or better in business courses and maintained an overall GPA of 2.8 in courses qualifying for articulated credit in order for automatic transfer credit to occur. Every possible combination of courses cannot be anticipated. Special combinations not included in the lists may qualify for credit if approved by Life University faculty.
