BRANDON HOWELL
ASSOCIATE OF APPLIED SCIENCES, MECHATRONICS

WIREGRASS

GEORGIA TECHNICAL COLLEGE®

A Message from DEANNIA CLEMENTS

President of Wiregrass Georgia Technical College

“ Wiregrass Friends,

Join me as we take a glimpse at the 2022- 2023 term at Wiregrass Georgia Technical College. This Annual Report shares many highlights and celebrations of the past year. To start, the college saw a 12% increase in enrollment in credit programs over the previous year and awarded over 1,500 awards at the two graduations. These numbers demonstrate the college's focus on the mission of “workforce development” here in South Georgia.

Every area of the college including Economic Development, GATAPP, Apprenticeships, and Adult Education all saw increases in the services they provide for our 11-county service area and throughout the state of Georgia. The report's cover photo is one example of how the college is supporting the mission of “workforce development” with student, Brandon Howell. He took advantage of many of the educational and training opportunities offered at Wiregrass. While in high school, he earned college credit through the Dual Enrollment program. After high school, he enrolled in Wiregrass full-time and participated in SkillsUSA where he would earn multiple state and national awards. He successfully completed his national apprenticeship requirements and earned his Associate's Degree and Diploma in Commercial Electrical Construction and five certificates.

I am proud of the Wiregrass team that worked diligently to ensure students succeeded this past year. Your support as stakeholders is also appreciated as students' needs were met through the generous donations made to the college's foundations. Thank you for taking the time to read this report. The college will continue this next year to explore new opportunities for our students as we seek to impact the communities we serve in South Georgia and beyond.

DeAnnia Clements

President

SPOTLIGHT ON:

BRANDON HOWELL

One could describe Wiregrass Georgia Technical College's Mechatronics student, Brandon Howell, as a modern-day renaissance man. Before Brandon graduated from high school he began his college career with Wiregrass' Dual Enrollment program. Since then he has received an Associate of Applied Science Degree and a Diploma in Commercial Electrical Construction. He has also earned technical certificates of credit in Basic Electricity Technician, Electrical Maintenance Technology, Industrial Electrical Assistant, Industrial Electrician, and Industrial Motor Control Tech.

In December 2023 he graduated with an Associate of Applied Science Degree in Mechatronics Technology. This renaissance man isn't just earning degrees in the advanced manufacturing career field, but he's also taking his education and skills to the next level through an Apprenticeship at Ace Electric. Howell completed his national apprenticeship requirements.

Howell's education, skills, and on-the-job training helped him win gold medals two years in a row at the Georgia SkillsUSA competition in Electrical Construction Wiring. Gold medal winners earn an opportunity to compete at the National SkillsUSA competition, and in the 2022 National SkillsUSA competition, Howell placed 3rd in the nation in Electrical Construction Wiring and competed in the 2023 National SkillsUSA competition again in the same category.

Howell shared, "What I am learning from Wiregrass along with my experience doing an apprenticeship with Ace Electric is setting me up for my future by giving me classroom knowledge that I apply to real-world situations that I come upon on the job. My advisors and instructors at Wiregrass were the ones who encouraged me to compete in Skills USA and they supported me on my journey throughout my competitions. The college has prepared me for the workforce by having excellent instructors and hands-on training utilizing equipment that is used in the industries."

2023 RICK PERKINS AWARD WINNER MIRIAM JACKSON

English Instructor, Miriam Jackson was named the 2023 Rick Perkins Award Winner. The finalists were Jessica Altman, Psychology Instructor on the Ben Hill-Irwin Campus; Toby Heard, Automotive Program Coordinator on the Valdosta Campus; and Miriam Jackson, Psychology Instructor on the Valdosta Campus.

"She is an awesome instructor and she loves what she does. She is always so flexible to do whatever it takes. One student told me she hated English until she met Ms. Jackson." read one of her nominations. She has been teaching for four years at Wiregrass.

Jackson competed at the state level last April at the GOAL and Rick Perkins Awards Conference in Atlanta.

"RECEIVING THIS HONOR AS A GENERAL EDUCATION INSTRUCTOR IS SUPER HUMBLING. RECEIVING THIS AWARD KNOWING THAT WE DO NOT GET AS MUCH TIME WITH THE STUDENTS AS THE PROGRAM INSTRUCTORS DO IS MAJOR. I AM GRATEFUL TO THOSE WHO SEE WHAT I DO. I AM JUST ONE OF THE MANY GENERAL EDUCATION INSTRUCTORS WHO STRIVE TO MAKE AN IMPACT. THIS IS AN IMPACT!"

2023 GOAL WINNER MICHAEL KELLY

Michael Kelly, an Electrical Engineering student on the Valdosta Campus, has been named the 2023 Georgia Occupational Award of Leadership (GOAL) winner for Wiregrass Georgia Technical College. Kelly competed against other nominees from Wiregrass' four campuses in Valdosta, Douglas, Fitzgerald, and Sparks before being named as one of the top four nominees and college winner. The runners-up were: Wilmer Calles, Game Development, Valdosta Campus; Tetiana Denysenko, Paramedicine, Valdosta Campus; Heather Foskey, Welding and Joining Technology, Coffee Campus.

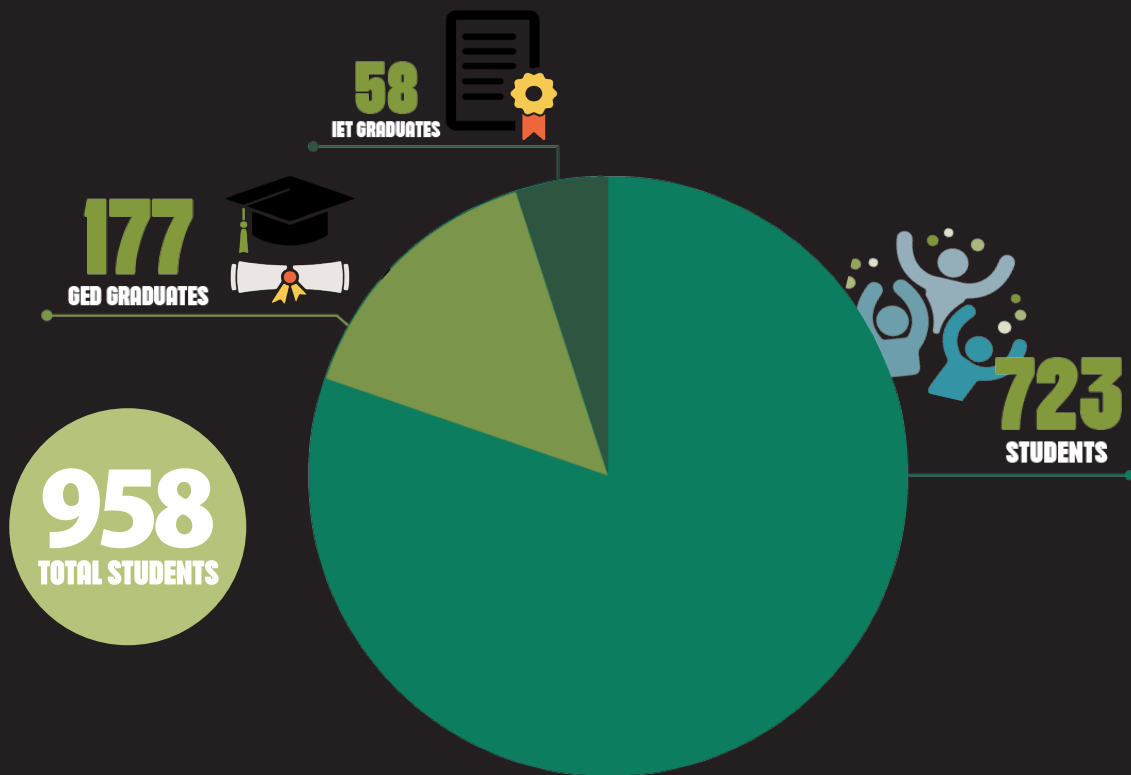

Joshua Whittington, Assistant Dean for Technical and Industrial Programs and Instructor, nominated Kelly for this honor. "During my classes, Mr. Kelly has displayed many of the characteristics of a transformational leader. The energy behind his language and his authentic caring for technical education create a positive learning environment for both instructors and students. I am confident that Mr. Kelly has the ability to represent the benefits of technical education in the state of Georgia," shared Whittington.

"IT'S AN HONOR TO BE CHOSEN TO REPRESENT MYSELF, MY FAMILY, AND MY COMMUNITY! I'M GRATEFUL I FINALLY GET THE OPPORTUNITY TO SHARE MY STORY. I WISH TO INSPIRE OTHERS TO NEVER LOSE HOPE IN YOUR DREAMS AND TO WORK FEARLESSLY FOR THE LIFE YOU DESIRE! I THANK GOD FOR THIS MOMENT AND I WILL DO MY BEST TO NOT ONLY ALLOW MY LIGHT TO SHINE, BUT ALSO INSPIRE OTHERS TO BE BRAVE ENOUGH TO RECIPROCATATE THE SAME."

ADULT EDUCATION ENROLLMENT DATA

*DATA TAKEN FROM JULY 2022 - JUNE 2023

WHAT IS IET?

The Integrated Education & Training program (IET) is designed to prepare Adult Education students for a job and boost their earning potential. Adult Education students will earn industry-recognized credentials in the areas of Manufacturing, Construction, or Welding while attending Adult Education classes. All IET students will also earn their Georgia BEST soft skills certification. IET classes are held quarterly on rotating campuses. Please contact [Darrell Hill](mailto:darrell.hill@wiregrass.edu) at darrell.hill@wiregrass.edu for more information on the IET program.

2023 ADULT EDUCATION TEACHER OF THE YEAR

DARRELL HILL

Adult Education Teacher, Darrell Hill, was named the 2023 Adult Education Teacher of the Year Award winner. The Adult Education Teacher of the Year Award is sponsored by the Technical College System of Georgia. The finalists for the award were Renee Elliott, Adult Education Instructor – Coffee County, Darrell Hill, Adult Education Instructor – Lowndes County, and Margo Young-Smith, Adult Education Instructor – Berrien County.

Hill has been teaching for five years and has been teaching at Wiregrass Tech for three years in the Adult Education program. Hill shared, "I pursued the career of teaching because it provides the opportunity to inspire others through education. Every day I can help someone get closer to their dreams." Hill added that he feels as an Adult Education teacher he can bring out the best version of every one of his students. Adult Education provides a platform for students to pursue college, military, or better-paying jobs. He represented the college in March at the State EAGLE and Adult Education of the Year reception in Atlanta.

2023 EAGLE RECIPIENT

BROOKE COCHRAN

Brooke Cochran of Coffee County was chosen to represent Wiregrass Georgia Technical College as the 2023 annual Dinah Culbreath Wayne Exceptional Adult Georgian in Literacy Education (EAGLE) Student of the Year.

Brooke Cochran was nominated by Adult Education Instructor Sandra Scurry. At the reception, Brooke shared her winning speech about her journey to the adult education program at Wiregrass. Brooke has graduated from high school twice. She received her regular high school diploma, but because she was home-schooled both she and her mom felt it would be best if she also obtained her GED. On April 18 she faced her fears and re-tested for her GED Math. "Math was the only subject I did not pass on the first attempt," shared Brooke. "I could do all the work in class, but testing anxiety hit me like a freight train every time I sat down to test." Test anxiety is nothing new for Brooke, she has battled this ever since middle school and even described it as a monstrous hurdle.

Months have passed since her re-test last April and Brooke now stands proudly to share that she did pass and has earned her GED, and she is currently enrolled as a college student in general studies at Wiregrass Georgia Technical College with dreams to become a speech pathologist one day. The finalists, including the winner, are Brooke Cochran (Coffee County) nominated by Sandra Scurry, Kinely Frazier (Ben Hill County), Jordan Jolly (Berrien County), and Gitthaim Melendez (Lowndes County). Brooke represented the college in March at the TCSG EAGLE and Adult Education Teacher of the Year Reception in Atlanta.

CHIEF TIM ALLMOND

CAMPUS POLICE CHIEF

Chief Allmond was awarded the annual Lewis I. Brinson, Sr. Leadership Award for the supervisor of the year. One nomination for Chief Allmond stated, "He wears many hats besides Chief of Campus Police, he also serves as a mentor for many students, and pitches in wherever needed on campus. He always has encouraging words for anyone he meets and helps to create a good working environment for everyone at Wiregrass."

RACHAEL PROPSON

ACADEMIC AFFAIRS SPECIALIST

Rachael Propson was awarded the annual James A. Bridges Vanguard Award for the staff member of the year. Propson is described by her peers as one who goes the extra mile for any project or any need. One nomination for her stated, "Rachael goes above and beyond to help her instructors, her deans, and her assistant deans. She is the backbone of our department and continually thinks of others and innovative ways she can assist without being asked."
