

# EMERGENCY BROADBAND BENEFIT

## WHAT IS IT?

The Emergency Broadband Benefit is a temporary FCC program to help households struggling to afford internet service during the pandemic.

## The benefit provides:

- Up to \$50/month discount for broadband services;
- Up to \$75/month discount for households on qualifying Tribal lands; and
- A one-time discount of up to \$100 for a laptop, desktop computer, or tablet purchased through a participating provider.

## WHO IS ELIGIBLE?

### A household is eligible if one member of the household:

- Has an income that is at or below 135% of the Federal Poverty Guide lines or participates in certain government assistance programs;
- Receives benefits under the free and reduced-price school lunch or breakfast program;
- Received a Federal Pell Grant during the current award year;
- Experienced a substantial loss of income due to job loss or furlough since February 29, 2020; or
- Meets the eligibility criteria for a participating provider's existing low-income or COVID-19 program.
