

Cosmetic Esthetics – Wiregrass Georgia Technical College

Spa Facials

To promote clear, well-hydrated skin (the largest organ of the body), a facial cleanses, exfoliates, and nourishes. Spa facials will precede a complimentary consultation and skin analysis for first-time clients which will lay a foundation for all future treatments performed in our Skin Care Clinic.

Refresh Facial - A refreshing facial which incorporates cleansing, toning, a customized treatment mask and moisturizer. Great for those short one time but want a quick facial “pick me up.”	\$20
---	------

European Facial - Deep cleansing Facial where your clinician will incorporate extractions (if needed), massage, and treatment masks best suited for your skin type. Great for anyone needing a fresh, vibrant look and feel, or just some quiet time to relax!	\$25
---	------

Eye Relief Treatment - Calms, soothes & reduces puffiness for a smooth, rejuvenated look and feel.	\$17
---	------

Lip Renewal Treatment - Soothes conditions and restores lips while softening fines for the ultimate lip service.	\$17
---	------

Facial Treatments

Our facial treatments and modalities are progressive, not aggressive, non-invasive services that address these issues: anti-aging, sun-damage, acneic and sensitive skin as well as, vascular lesions and excessive/unwanted hair.

Chemical Exfoliation

- **Glycolic Acid/Lactic Acid (AHA)** - For the treatment of fine lines and wrinkles, acne scarring, mild hyperpigmentation.

- **Salicylic Acid (BHA)** - Best Suited for acneic and oily skin types.
- **All Peels** - \$25

Microdermabrasion

Microdermabrasion is a procedure that uses ultra-fine crystals and/or diamond-tipped heads to gently exfoliate the uppermost layer of the skin. It is an effective skin polishing technique that removes unwanted dead skin cells. Microdermabrasion is relatively non-aggressive. While the skin surface may appear slightly pinkish and may even be slightly tender following treatment, this procedure is often referred to as the “Lunchtime Peel” as there is no need to refrain from most daily activities at work or at home.

Microdermabrasion (face/neck)	\$25
Décolleté (Chest/Neck) Treatment	\$25
The Works (face/neck/chest)	\$45
MicroPeel (face/neck) - (Microdermabrasion paired with Chemical Exfoliation to remove unsightly age spots and enhance treatment.)	\$30
Custom Hand Treatment - (Microdermabrasion for the hands; erases the signs of aging for a smooth, younger look and feel; includes light hand massage.)	\$25
MicroCurrent Nue Fusion 200 - Uses low level current with advanced wave forms that work in synergy with the body’s own biological current for firming, tightening, toning and lifting, smoothing out fine lines and wrinkles. Increases cellular energy. Non-surgical face-lift.	\$35

Microdermabrasion

Microdermabrasion is a procedure that uses ultra-fine crystals and/or diamond-tipped heads to gently exfoliate the uppermost layer of the skin. It is an effective skin polishing technique that removes unwanted dead skin cells. Microdermabrasion is relatively non-aggressive. While the skin surface may appear slightly pinkish and may even be slightly tender following treatment, this procedure is often referred to as the “Lunchtime Peel” as there is no need to refrain from most daily activities at work or at home.

VascuTouch - Treatment and removal of Telangiectasia’s, Cherry Angiomas, Skin Tags, and Milia through the use of an electric needle. Minimal discomfort and down time. (15 minute time-limit for treatment.) \$20

Oxyvital Oxygen Therapy - Increase oxygen to your skin by infusion; promotes collagen synthesis, as well as hydrates the skin making the face appear smoother and plumper. Great for mature and acneic skin. \$15

LED Light Therapy - Red Light Therapy increases collagen production and relaxes muscles. Blue Light Therapy improves acne, skin tone, and soothes nerves. \$7

Body Treatments

“Bare Your Best” Back Treatment - For Body \$40

Exfoliation and Hydration the clinician will use a mild scrub to remove dead skin, follow by light massage and a moisture rich body mask. (\$45 to add Chemical Exfoliation) depending on the individual and proper skin maintenance. We have a variety of solutions to give the tan you want. Cocoa, Dark, Double Dark and New Venetian Dark for a Mediterranean like color. (Full Body Tan)

Norvell Spray Tan - Sunless Tanning at its \$22

BEST - The ONLY safe way to get a tan!
Natural look, pleasant smelling formula, fades gradually and typically lasts 4-7 days

Synergie EliteAMS Aesthetic Massage \$35

Cellulite Treatment - Cellulite Reduction and Body Sculpting. Comfortable, relaxing, improves circulation and caresses the skin into a smoother, more natural appearance.

Potential Students

The Cosmetic Esthetician program is designed to offer esthetics training for entry-level students. Completion of the program prepares students to sit for the Esthetics licensure examination given by the State Board of Cosmetology and to work in a variety of professions that employ estheticians in beauty salons, spas, health clubs, cosmetic stores, medical spas, as well as plastic surgeon and dermatologists' offices.

The Clinic is Open to the Public by Appointment

All services performed by students under direct supervision of a licensed Esthetician.

Located in Lowndes Hall, Room 7118-B.

Open Tuesday through Thursday at 9:00am through 1:00pm.

Reach the Esthetics Appointment Desk at 229-249-2739.
